Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 13 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with sunny spells developing.

Today:
Any light rain towards North Coast soon dying out to leave a dry day. Rather cloudy at first but soon brightening up with plenty of warm sunshine later this morning and this afternoon. Light winds. Maximum temperature 21 deg C (70 deg F).

Tonight:
Staying dry with clear periods but becoming cloudy in the west later. It will be a mild night with light winds. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Most places will have a dry day with sunny spells during the morning. Becoming cloudy in the afternoon with damp, misty conditions reaching western counties. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Mostly dry, settled weather continuing for the next few days with plenty of warm sunshine. Some patches of mist and low cloud, lingering at times, especially in coastal areas.
